CONSTRUCTION OR RELOCATION OF A STORM DRAIN LINE

1. The Supervisor will contact the land owner and explain the project and the right of way required for the project with an explanation of the right of way agreement: Right and easement conveyed to the Town of Richlands to construct, operate, and maintain, or remove said drain line, together with the right to maintain the right of way. Said right of way to remain free of all obstructions.
2. Prepare right of way agreement at the Town Hall with complete details of the property location and easement needed.
3. Property owners will need to sign a notarized agreement at the Town Hall granting the right of way
